Dear Enquirer,

DISCOVER YOUR DREAM HOME IN THE SUN WITH US

I am pleased to give you access to our property brochure which gives details of a selection of properties taken from our current portfolio. These are only part of our vast range of new build and resale properties. We also have properties in Calabria, Italy, Cyprus, Turkey and Portugal – see website for further details.

We have nine brochures covering the Costas; Blanca North, Blanca South (Torrevieja), Calida, Almeria and Tropical/Granada. You are within easy reach of this unspoilt area, known as the “market garden of Europe”, which is serviced by many international airports, Alicante, Murcia, Almeria, Valencia, Granada and Malaga. There is also an excellent motorway and rail network. Also there are brochures of Calabria, Italy – Cyprus, Turkey and Portugal.

We guarantee that all our properties are freehold with debt-free escrituras (property deeds). That bank guarantees are in place to cover your payments on selected properties. All new properties have a 10 year builder’s warranty. We provide a comprehensive after-sales service – totally free of charge. We have in-house financial advice, with a choice of tailored packages to suit your requirements (up to 80% mortgages payable over 30 years, subject to status). An introduction to English-speaking independent Spanish solicitors.

Visit with us and discover, white sandy beaches, orange and lemon groves, excellent restaurants, flamenco dancers and Spanish guitarists, promenades, small secluded bays, bustling markets, yacht marinas, golf courses, low cost living with high quality lifestyle and with on average 320 sunny days per year.

All viewing visits are conducted on a one-to-one basis - one couple to one representative. You will not be bussed around with a group of other prospective purchasers. Call now to book, as our guest, your 3 night 4 day viewing visit.

I look forward to hearing from you in the near future.

Yours sincerely

Geoff Lee
UK National Director
